📍 cheruvannur, Kozhikode

SUMMARY

As a highly analytical Mechanical Engineer with a passion for coding, I am now seeking to transition into a career as a Front End Developer. With strong problem-solving skills and attention to detail, I have honed my ability to create efficient, optimized designs that balance form and function. By leveraging my experience with coding languages like HTML, CSS, and JavaScript, I am confident in my ability to create engaging, user-friendly websites and applications that delight users and drive results. My ability to quickly learn new technologies and work collaboratively with cross-functional teams makes me a valuable asset to any organization.
